TWO CENTS

NUMBER 26

TURKS LURED IN TRAP BY WILY BRITISH RUSE

WHOLE BATTALION TAKEN AFTER HOT PURSUIT BY ENGLISH CAVALRY

THREE THOUSAND PRISONERS AND MANY GUNS TAKEN

RUSSIANS CONTINUE ENCIRCLING OFFENSIVE IN NORTHERN GALICIA

(By Associated Press)

London, Aug. 7.—It was announced today that three thousand Turks were captured at the battle of Roman near Suez.

The Turks were pursued eighteen miles and the pursuit was continued beyond Katia, which is twenty-three miles east of the canal.

"The net results are the destruction of more than a fourth of the Turkish effectiveness and driving the remainder into the burning desert beyond Katia," said General Mariano, director of the military operations of the general staff, told the Associated Press.

"The enemy is liable," he adds, "to have an uncomfortable time crossing the desert."

A Cairo dispatch says the Turks were lured into a trap by British cavalry, who drew them on.

The whole brigade was compelled to surrender when the tanks were turned. The capture included a battery of German guns, also thirty-six German officers.

Russians Continue Offensive.

London, Aug. 7.—General Brusilov is reported pressing his offensive against the Teutons in northern Galicia, where the Russians recently forced a passage across the River Sereth, south of Brody. Petropavlos also reports further advances, with the capture of strong positions.

The forward push by the Russians is not only bringing them closer to Lemberg but seriously endangering the entire Austrian front. Heavy fighting has been continued at yet another.

Germans Claim Successes.

Berlin, Aug. 7.—The Germans captured a trench lost to the British at Hozien if was announced. At the Carpathians, the Germans gained the heights of Cherechuk river.

Russians Cross Sereth.

On the Russian front the most intense fighting is reported as taking place south of Brody, in Galicia. The Russians crossed the Sereth river, captured positions in the region of Peniak Tchistopad and repulsed an Austro-German counter attack against them. Berlin says Russian detachments which crossed the Sereth-Patsyeyev were forced to retreat before Austro-German counter attacks Northwest of Zolozie. In the same district, Russian attacks were reported. Petrograd admits the retirement of several detachments from mountain passes in the Carpathians south west of Kuty in the face of a heavier Austrian force.

The British positions at Roman, twenty-two miles east of the Suez canal, were attacked by a Turkish force, estimated at 14,000 men, on a front of seven or eight miles. The attack, London asserts, has made no impression on the British positions while on the southern flank the British have taken between 100 and 500 prisoners.

Some reports slight progress on the Trentino front against the Austrians. An Italian attack east of Montebone on the Carso plateau resulted in the capture of some prisoners.

THURSTON MAY DIE.

Omaha, Neb., Aug. 7.—The condition of John M. Thurston, former United States senator from Nebraska, who has been ill for three weeks, continued critical tonight. Attending physicians said his death was likely to occur at any moment.

TWO HUNDRED BOYS' CLUBS IN STATE NOW

MANY FAIRS TO ATTRACT AND INTEREST BOYS IN MAKING EXHIBITS

(By Associated Press)

Oklahoma City, Okla., Aug. 7.—Two hundred boy clubs are working vigorously to make the series of district fairs early in September successful and the county fair Sept. 20-23 the largest in recent years. Whether the livestock and grain exhibits will be large or small depends partly upon the boys of these clubs according to County Agent C. W. Callahan. Indications now are that between 50 and 100 head of hogs will be placed in competition for prizes by these club members.

The eight district fair boards work under the supervision of the county fair board. Prizes winners of the districts are taken to the county fair and the best exhibits here are taken to represent Oklahoma county in the state fair.

It is stated that the fruit exhibit will be almost as large as that of any other fair. The grain crop is said to be normal and of excellent quality. Some of the best wheat ever grown in the county will be shown together with prize winning ears, according to the chairman in charge of the exhibits.
